- **Bachelor's degree in Economics –** Kyambogo University / 2016-2019
- **Uganda Advanced certificate of Education-** Paul Mukasa SSS / 2014-2015

WUMPA FRANK JOEL
DATA PROFESSIONAL

PROFILE SUMMARY

A strong, self-motivated, results-driven data professional with a bachelor's degree in economics from Kyambogo University. Over four years of experience managing data and research-related roles, while obtaining data collection, analysis, and report generation skills. I seek a position that will allow me to utilize my current data skills and experience while offering opportunities for continued personal and professional growth.

PROFESSIONAL EXPERIENCE

Data Officer / Makerere University Walter Reed Project
OCTOBER 2023 - PRESENT, KAMPALA, UGANDA

- Successfully managed and maintained the accuracy and integrity of patient data within the Uganda medical records system (EMR), ensuring timely and accurate reporting to key stakeholders, including PEPFAR, MUWRP, and the Ministry of Health.

- Proactively analyzed and cleaned patient datasets, identifying and resolving data quality issues such as missing values and outliers to ensure timely submission of high-quality weekly, monthly, and quarterly reports.

- Collaborated effectively with healthcare workers to identify and address data gaps, develop strategies to meet facility targets, and streamline reporting processes for improved efficiency and data utilization.

District-Based Trainer / Youth Alive Uganda/MJAP
APRIL 2022 - AUGUST 2023, LUUKA, UGANDA

- Collaborated with the District Health Officer (DHO) in the design and testing of robust survey instruments to effectively evaluate the impact of the Community Drug Dispensing Program

- Collaborated with the district Linkage officer to plan, implement, and report on peer support activities for people living with HIV (PLHIV), especially children, adolescents, and young people living with HIV (CALHIV).

- Facilitated M&E capacity-building mentorships and training sessions for project staff on HIV Prevention indicators, which improved their data collection and reporting skills

PROFESSIONAL CERTIFICATIONS

Google / Advanced Data Analytics Professional Certificate
MAY 24 - NOV 2024, Coursera
NIDA Clinical Trials Network/Good Clinical Practice
MARCH 2023
